ST. JOSEPH'S ACADEMY

CAMPUS SCENES

The beautiful campus of SAINT JOSEPH ACADEMY is located in the heart of the Historical and Oldest City in the United States, Saint Augustine, Florida. The events of the students, faculty, and friends are portrayed as they happened during the past year.

The Staff proudly presents memories through this Year-book, hoping that they will bring joy to all those who reflect upon each page.

As life goes on, one sees a little more clearly how each experience is interwoven into the lives of others—praying, working, learning, recreating, and reaching goals together.

To educate oneself is only one important aspect of life, but to better oneself and others for life and eternity is the Christian aim and spirit of all who have played their parts well at SAINT JOSEPH ACADEMY.

Dear Graduates:

'By their fruits you will know them.' A tree is judged by its fruit, an artist by his works. Catholic schools are judged by their graduates.

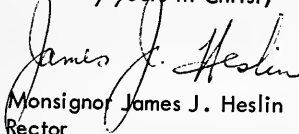

What do we expect of a graduate of a Catholic school? In addition to the standard academic knowledge, we expect such a person to be a dedicated citizen but above all, loyal to his church and its teachings. We expect this loyalty to be manifest in a few individuals that an entire life will be devoted to the Church as a priest or sister.

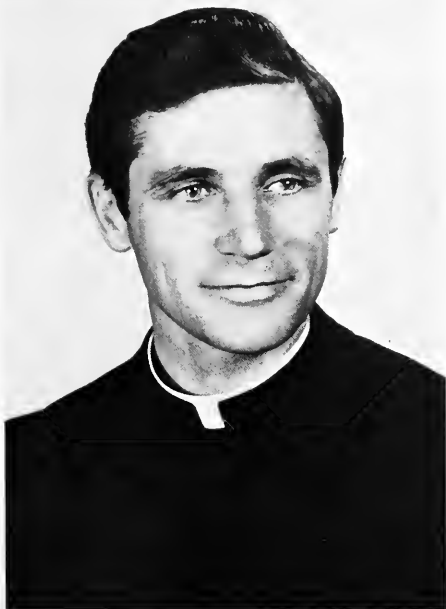

Catholic schools will continue, if the graduates of these institutions demonstrate that they are worthy of the efforts put forth both by their parents and the church.

I am confident the graduates of 1971 will prove worthy of these unselfish efforts.

'By their fruits you will know them.'

Sincerely yours in Christ,

Monsignor James J. Heslin

RECOGNITION

SISTER MARY DAMIAN, SSJ, PRINCIPAL

We wish to express our appreciation to Sister Mary Damian, SSJ, our Principal, and to assure her that we will always remember her as a sincere and helpful Principal.

Sister has spent many hours forming us in discipline, guiding our aspirations for the future, and our many activities and projects.

Sister Damian arrived at St. Joseph Academy in January, 1970, from her previous assignment at St. Theresa's School in Coral Gables. Immediately, Sister took charge of our school zealously and untiringly in her present position as principal. In this short time, tremendous progress has taken place.

Sister Damian received her Bachelor's Degree at Manhat-

tanville College of the Sacred Heart in New York and her Master's Degree in Administration at The Catholic University of America in Washington, D. C., and has taught in high school for many years. She also held the position of principal at several elementary schools before coming to St. Augustine.

Sister's major field is Administration, and her minor field is Education. Her hobbies and interests are double crostics, cryptograms, chess, good literature, and music.

In addition to her many duties as principal, Sister also taught Junior Religion this past year and sponsored the Student Council activities.

Thank you, Sister Damian, for all you have done for us.

DEDICATION

SISTER MARIE O'BEIRNE, SSJ

Sister Marie O'Beirne, SSJ, received her B. A. Degree in Education from The Catholic University of America, Washington, D.C., and her B.S. Degree in Science and Pharmacy from Saint Louis College of Pharmacy and Applied Science. Her major field is Science and her minor field is English.

Sister Marie's hobbies and interests are music and art.

This year, Sister taught Biology and BSCS, Chemistry,

and Physics.

BECAUSE of the value we place on your leadership and friendship . . .

BECAUSE you have given eight years at Saint Joseph Academy unselfishly, and your time and untiring efforts . . .

BECAUSE of this and more, Sister Marie, we dedicate this yearbook to you as a symbol of our honor and respect.

WE LOVE

Love is the source from which life springs and is nurtured.

Each facet of our love, we as Graduates feel, has its ever-deepening roots in God, who is love itself.

Our love for man and his drawn us into this great experience of being together.

With the aid of Divine Grace we have learned to know ourselves, our assets and limitations.

Experience and knowledge have developed our abilities and skills; compassion for man, kindness, faith, love, give generously of ourselves, seeing in one another the Divine Image.

In the spirit of love, we the Class of 1971, take this opportunity of expressing our gratitude to our parents, instructors, friends, and benefactors who have guided us toward achieving our goal—Graduation.

CLASS PROPHECY

This is SUSAN PERSONS, your "on-the-spot" reporter from St. Augustine, bringing to you one of the finest programs ever presented, The 1981 Saint Joseph Academy Alumni Talent Show. My committee and I thought it would be a good idea to have a Class Reunion in this manner.

It has been ten years since we parted at Graduation, to be exact, May 30, 1971, and it seems only yesterday.

As we walk up the steps and into the lobby of our Alma Mater, many memories return. We are greeted by two familiar faces, BABBY McGRATH and KAREN USINA, always on hand to make you feel "at home!" They are serving refreshments.

"Does that cake look great," some exclaim. "Who made it?" "I did," says KAREN. KAREN will always be remembered for her delicious cakes, and BABBY for her cream sodas. They were the best in town. In recent years, BABBY has become known as "The world's richest woman." Undoubtedly, it is the result of her extensive holdings in Standard Printing, Inc."

Lovely MARGIE JOKERST and STEPHANIE VAN FORTNER are just arriving. I hear that MARGIE is working on the SPACE program. She always had her head in the clouds! STEPHANIE gives lessons in music and in "The Art of Speaking," at the Hastings University. Tonight, these two girls are performing their "½ vulture, ½ walrus" act.

If you haven't heard of the "Famous Far Out Four," you will now! They consist of CHERYL BEESON, ELLEN SCHRECK, FRANCES BEALL, and PAT SHEELEY. Miss BEESON presently teaches music appreciation at St. Joe; Miss SCHRECK is still the "Hostess with the Mostest" at the Santa Maria Restaurant; Miss BEALL is teaching English at GWTW University located at Tenth and Decatur, Atlanta; and Miss SHELLEY is presently starring in that off Broadway Production, "Granny, Get Your Gun."

EDDIE HONKER and STUART HARROLD, run the "Mouth of the South" G A B B Y Radio Station. They are going to do their ever popular "Benzinni Brothers" Routine for us.

AL CRUTCHFIELD and MIKE ROBSHAW have just arrived from California (just one of their many diversified trips).

DAVID CARTER, on his way here, had a bit of a scrape. It seems that someone tried to steal his truck. This time, he was still in it. He handled that situation very well!

Some of our former instructors traveled from far and near to be with us tonight. Many wives, husbands, and children of the class are here, too. What a gathering!

Arriving from New York, where he has taken off time from his busy schedule managing his own chain of Castilian Beauty Salons and Holiday Inns, is JIMMY BYLES. He is still wearing that grin. We recently heard that JIMMY bought out the entire "Clairol" Company. "Yes," says JIMMY, "and soon we'll have a whole new line of hair lighteners on the market. We call them 'Liquid Sunshine'!"

The Master of Ceremonies, or should I say Mistress, is KAREN GOODE. She has a fine boutique shop in St. Augustine. Working with her is KATHY GUIDI, who designs beautiful acetate smoking jackets.

The Man of the Hour, Bakersville's own and most valuable, JAMES RUSSELL (Mr. America, 1980) COLEE is accompanied by DR. WILLIAM HUBBARD, S.N.A.G. The Doctor has just returned from an International Physics Conference held in Belgium. He comments, "Physics is just a relaxing hobby with me; actually my real occupation is psychology in which I endeavor to explore the analytical mind of those less fortunate than me, that is, those that ain't geniuses."

DENISE PACETTI is the President of the PACETTI'S DOWN'S, Miami, Florida, opened and operated since '71. Nipper is still going strong, even if he has one wooden leg. All the children ride him—free!

The “bouncer” for the evening is coming up the aisle, DR. KATHY KISTLER. She is wearing an attractive white muslin pants suit, trimmed in black satin, with a black satin belt to match. DR. KISTLER tells us she is practicing in Oxford, Ohio, where the action is.

We are very pleased to have the owner of the Zorado Castle, YVONNE PIERRE, here with us tonight. YVONNE has been very successful—tourists still find this Castle educational and interesting, even if they do have to strain their ears a bit.

TWILA FLEMING, alias Arethea and Soul Sister Number One, has just hit tops with her recording of, “I Found Love On A One-Way Street.” TWILA sings at the H.S.M. Recording Studios where ADELE McLAUGHLIN is owner and producer. Both have made the trip in their Rolls Royce all the way from the City Gates.

MARION (Hopalong) WILLIAMS, on crutches again, just entered. “What happened this time, MARION?” “I had just recuperated from a sprained ankle . . . then . . . I fell down the stairs and broke my leg.” MARION is coach of the basketball team at St. Joe; occasionally, he sings at the H.S.M. His latest recording is, “Ouch, I Did It Again!”

We are honored with the presence of the Mayor of the Town, WILLIAM (BILLY) CREECH. He has turned a little gray at the temples but is still dignified and smiling as ever. The Mayor was our Class Treasurer that last year at St. Joe, and he certainly knew how to climb the ladder. (We found absolutely nothing in the Treasury after he graduated. I wonder if . . .)

There is a noise of voices outside. A crowd is gathering. They're coming closer to the entrance. People are stepping aside. Why, it is the President of the United States, DWAYNE TULLY! I wondered if he would be able to make it this evening! “Hail to The Chief” is being played by BABBY McGRATH as he walks up the aisle with his bodyguards, the Daring-Due, JOHN L. COLEE and DOUG GRISSOM. DWAYNE always had his hands in something—if it wasn't the National Honor Society, the typewriters getting out letters for Career Day, etc., or Drama, it was KAREN's CAKES and BABBY's cream sodas.

JOHN L. states that in the near future he will be heading for the Olympics as the reigning tennis champion of the United States, and DOUG, whose back is insured by Lloyd's of London, because it is the world's most valuable back, states that he will be on the United States Olympic Sleeping Team—soon!

FILomena CAPPARELLI and PEGGY BEACH, Business Manager and Partner of this Production tonight, walks over to the President, hands him important documents (which they documented), and are telling him something. All eyes are on him as he opens the large, brown envelope. He looks it over. He smiles and stands. All voices are hushed. He walks up to the stage and seats himself beside BABBY at the piano. They are saying something about the papers. He places them at the piano and they begin to play a duet, GRANADA. We haven't heard them play like that since our last year at St. Joe!

Each alumnus took part in this Class Reunion Talent Show. What a show! One we will never forget. We are all very happy that all could be present tonight and are a little saddened to part; and as we do, thirty-one strong sing the grand finale, “Those Were The Days.”

Again, I repeat, what a show!

Dear Reader:

Only one year ago, The Guardian was just an idea, a thought growing in our minds. Now, it is a reality. It was hard work, yet we derived much fun in capturing the many expressions and activities in pictures. These memories will long be remembered.

We are deeply grateful to those of you who put in much time, effort, and material, in particular, to the faculty, benefactors, parents, and friends.

I wish success to the graduates and underclassmen.

Good luck to the 1971-72 Annual Staff.

IN MEMORIAM

VICTORIA LOUISE DENNIS
November 8, 1955–November 29, 1971

Christ led one exemplary life according to the will of Our Father. No man has ever or will ever live and die as He; but man must do his best no matter how long or short the duration of his life. Christ lived and died that we might live. What other reason are we on earth but to help one another on the path toward attaining eternal life?

God in His Divine Wisdom called VICTORIA LOUISE DENNIS at an early age, at a time He alone knew best. Those of us who knew her will miss her very much. Vicki's family is extended heartfelt sympathy and prayers.

A CHILD TO LEND

I'll lend you for a little time a child of mine," He said,
For you to have the while she lives and mourn for when she's dead,
It may be six or seven years, or twenty-two or three,
But will you, 'til I call her back, take care of her for me?
She'll bring her charm to gladden you and should her stay be brief,
You'll have her lovely memories as solace to your grief.
I cannot promise she will stay, since all from earth return,
But there are lessons taught down there I want this child to learn.
I've looked the whole world over in my search for a teacher there,
And from the throngs that crowd life's lanes I have selected

you.
Now will you give her all your love, nor think the labor vain,
Nor hate me when I call to take her back again."
I fancied that I heard them say, "Dear Lord Thy will be done."
For all the joy this child will bring the risk of grief we'll run;
We'll shelter her with tenderness, we'll love her while we may,
And for the happiness we've known, forever grateful stay.
But should the angels call for her much sooner than we planned
We'll share the bitter grief that comes and try to understand.

ONE SOLITARY LIFE

He was born in an obscure village, the child of a peasant woman. He grew up in still another village, where He worked in a carpenter shop until He was thirty. Then for three years He was an itinerant preacher. He never wrote a book. He never held an office. He didn't go to college. He never visited a big city. He never traveled two hundred miles from the place where He was born. He did none of the things one usually associates with greatness. He had no credentials but himself. He was only thirty-three when the tide of public opinion turned against him. His friends ran away. He was turned over to His enemies and went through the mockery of a trial. He was nailed to a cross between two

thieves. While He was dying, His executioners gambled for His clothing, the only property He had on earth. When He was dead, He was laid in a borrowed grave through the pity of a friend. Nineteen centuries have come and gone, and today He is the central figure of the human race and the leader of mankind's progress. All the armies that ever marched, all the navies that ever sailed, all the parliaments that ever sat, all the kings that ever reigned, put together, have not affected the life of man on earth as much as that one Solitary Life.

WHERE'S SANDY?—Flash center Greg Vaccaro (50) appears to be asking halfback Steve Hubbard (30) where the ball is in this goal line pileup during St. Joseph Academy's homecoming game Satur-

Flash Homecoming Game

Flashes Overpower Commodores, 26-6

By DAVE CONOVER
Sports Editor

Coach Ed Drozd said this past week after the Jacksonville Episcopal game that St. Joseph Academy had lost a game but found a tailback.

Sandy Preston, moved from an end billet to the Flash backfield to lead in yards rushing last week, pretty well bore out Drozd's words in the Flashes' 26-6 homecoming win over Sanford Naval Academy Saturday.

The agile junior waltzed his way to 141 total yards gained during the first half of the non-conference clash at SAHS field and wound up the evening with a grand total of 172 net yards to his credit.

Preston, added to a large stable of good runners which Saturday included Doug Grissom, Steve Hubbard, Al Crutchfield, Jimmy Young, Mike Robshaw and Paul Thomas, helped the Flashes almost totally dominate the first half.

Not much was needed during the second half because, by intermission time, St. Joe had rolled up a whopping total of 217 yards rushing and rammed across a touchdown on each of three possessions for a 20-6 advantage.

Almost unnoticed in the fracas was the passing of Flash quarterback Paul Thomas.

The 135-pound junior hit on three of four passes for 24 yards, small compared to giant ground gains, but not bad considering St. Joe's traditional turf bound tactics which have been all they have needed in the past.

Not only were the Flashes taking to the air, they were holding down what could well have been a ruinous passing attack, a big problem for Drozd's eleven in recent past games.

Sanford quarterback Jim Rathbun only made good on three of 14 passes for a comparatively paltry 22 yards.

One of St. Joe's big problems, the long run, did come back to haunt them from last week however.

Sanford's only TD came early in the second period on a 64 yard run by leading Commodore runner Jim Ried. The exceptionally fast halfback broke through from a first down on his own 36 shortly after taking possession on a St. Joe kickoff.

The Flashes' three first half touchdowns all came on long marches, the first when Preston bulldozed in from the 1 after a 59 yard haul, the second when Grissom ran the last nine yards of a 76 yard drive, and the third when Preston again crammed in from the 2 after a St. Joe trek from their own 14.

St. Joe got in a final touchdown before Sanford was able to tighten up its defense and get the ball moving during the second half.

Statistics

| St. Joseph | Sanford |
|--------------------|---------|
| 17 First Downs | 10 |
| 288 Yards Rushing | 154 |
| 25 Yards Passing | 22 |
| 3/4 Passing | 3/14 |
| 0 Had Intercepted | 0 |
| 0 Fumbles Lost | 2 |
| 3/32 Punting | 2/31 |
| 85 Yards Penalized | 45 |

Thomas got the tally on a keeper from the seven. Big runs by Crutchfield and Preston and a Thomas to Hubbard pass had shuttled the ball from the opponent's 34.

The only successful conversion of the game came on the Flashes' first touchdown, the extra points achieved on a Thomas to Young pass.

A fumble recovery by Jay Dodd had opened the drive which led to the TD.

Mike Robshaw also pounced on a fumble recovery during the game and Carl Thomas, Eddie Thomas, Robshaw and Marion Williams played outstanding defensive ball.

St. Joe will be back on the same field Saturday for a cross-town date with Florida School for the Deaf.

Flash Stars Glitter

By BILL SANDERS

Record Correspondent

The night was full of stars over Keystone Heights Friday night, but the biggest star of the evening was a 180 pound defensive end by the name of Jimmy Young who pounced on a fumble in the end zone to score the only touchdown of the game as coach Ed Drozd's St. Joseph Academy Flashes won their opening game of the season 6-0 over Keystone.

the Keystone 1 before a fumble caused the Flashes to turn the ball over.

Al Crutchfield had a run of 40 yards and sensational sophomore Steve Hubbard dashed for 25 more on the drive. Neither team could get their offense going in the first quarter and the ball changed hands frequently.

As the second quarter opened, Crutchfield, Hubbard, Doug Grissom and Jimmy Colee alternated running to take the ball down to the Keystone 5, but a number of penalties forced the Flashes to give up the ball again.

With three minutes remaining in the third quarter, the fearsome trio of Bobby Thomas, Marion Williams and Greg Vaccaro tackled quarterback Strickland and caused him to fumble the ball.

That's the point where Young fought off three Keystone backs to recover for a Flash TD.

Keystone threatened the Flash goal line with 13 second remaining in the game, but four plays after taking possession, Strickland ran a quarterback keeper and was stopped at the one yard

line by the bruising tackle Thomas, Norman Her and Williams as the game ended.

Archie Martin, 190 pound defensive end, picked up a stone fumble late in the quarter and dashed 52 yards for a Flash TD that brought the capacity crowd to their feet, but the effort was called back on a penalty.

"It's hard to imagine that our offensive backs ran for a total of 300 yards to only 61 for Keystone and only scored six points," coach Drozd said after the game, "but any victory over Keystone is a great one."

"The 17 penalties hurt us, but the defensive team won the game. If we can get both teams together, we will have one whale of a ball team."

Crutchfield led St. Joe's ground gains with 145 yards in 23 carries, followed by Hubbard with 92 yards in six carries and Grissom with 59 yards in 11 carries.

Outstanding defensive performers were Sandy Preston, Carl Thomas, Bobby Thomas, Jimmy Colee, Bill Creech, Archie Martin and Ricky Hall.

The Flashes once again practiced their fantastic hex on Keystone as Drozd's valiant men won their fourth consecutive game over their rivals.

All games between the two teams have been thrillers, but Friday's hard-earned victory was probably the toughest opener for many years.

St. Joe received the opening kickoff and marched 65 yards to

s Plaster Jax Maranatha, 67-0

strength. Maranatha made its debut in man football last week and took a somewhat less solid opening, 63-0, at the hands of Interlachen Rams.

Her team was really trying to run it up, but what can

you do when nearly every first down is a touchdown and the opponents move backward faster than they move forward.

Out of St. Joe's total of 11 first downs, 9 were for tallies. Besides that, the Flashes scored three safeties, one when the op-

posing quarterback carried a kickoff into his own end zone and downed it.

Maranatha got two first downs, 21 yards rushing and 11 yards passing on one connection in eight tries. It was pretty well negated by a prodigious num-

ber of penalties which cost the Jacksonville academy 83 yards, mostly for delay of game.

St. Joe made 426 yards on the ground, a good part of it in long TD sprints, completed one pass in one attempt for 12 yards and notched another successful completion for a two-point conversion.

Preston did most of the extra-point damage with accurate jayvee Terry Drozd and a 12-boots on three occasions and handled the kicking chores in a high fashion for the Flashes.

End Jimmy Young and half-back Doug Grissom forced safeties.

The Flashes made their six-point tallies on a 17 yard run by Crutchfield; a 45 yard jaunt by Robshaw; runs of 25 and 47 yards by Grissom; a 34-yard sprint by Robshaw; a 40 yard runback on an interception by yard Paul Thomas to Martin toss.

Thomas also made good on a pass to Drozd for two extra points on the first TD of the fourth period.

Coach Drozd expects a better game from Bunnell when the Flashes meet the Bulldogs here next Friday despite Bunnell's opening loss to Umatilla.

The meeting is set for 8 p.m. Oct. 2 at St. Augustine High stadium.

Flashes Top Dragons, 32-6

By DAVE CONOVER
Sports Editor

St. Joseph Academy coach Ed Drozd used to worry about long runs. Not anymore though.

The Flashes used three of them Saturday to achieve a 32-6 victory over the Florida School for the Deaf Dragons and set even a record which has been faltering this season.

The cross-town win in the St. Johns River Conference made St. Joe's mark 4-4. FSD has won but one game so far.

Despite the Flashes turning the tables and using one of their defensive weaknesses to their offensive advantage, Drozd has not dismissed the long run as a

weapon against his charges however.

Florida Deaf's sole TD for the evening was set up on a 67-yard dash by halfback Robert Fields, fresh back from a long recovery period after an injury in the game against Alabama Deaf early this season.

Fields picked it up from quarterback Andy Lanning on the Flash 24-yard - line and hauled it down to the Dragons' 27 before being stopped by Carl Thomas.

Halfback Danny Watson toted the ball 17 yards for the tally. Watson had also packed an 11 yard per carry rushing average during the first half.

No extra points were made on Charles Rachel's unsuccessful running attempt, but the Dragons had a six-point advantage which they were able to hold for the remainder of the half.

Things took a swift and decisive change after intermission however, and the shift in direction still has Dragon coach Ed Gobble as well as several FSD fans scratching their heads.

After holding St. Joe's high velocity running backs to an unexpectedly mediocre 95 yards during the first half while the Dragons rushed for 146 yards, the Dragons folded (or the Flashes exploded) during the second half.

Whichever it was, it caught fans on both sides of SAHS field unprepared.

St. Joe uncorked three scoring runs in the 50-yard-plus category to accumulate a whopping total of 220 net rushing yards during the second half, and forced a fumble deep in Dragon territory for another TD.

The Flashes found they could break through late in the third period and capitalized on the ability from there.

After a ho-hum session between the Dragon 25 and Flash 40, St. Joe took over possession on a punt to their own 43. From a second down on the line of scrimmage Doug Grissom broke loose on a 57 yard trip to score St. Joe's first TD. Paul Thomas passed to Jimmy Young for the extra point and the Flashes led 8-6.

With startling swiftness on the Flashes' next possession, new found tailback Sany Preston took the handoff and shot 60 yards into paydirt.

Mid-way in the fourth period in a pair of back-to-back defensive dazzlers, Rick Hernandez

nailed Lanning ten yards in the hole and then pilfered one of the Dragon quarterback's passes to give St. Joe ownership on its own 24.

Eight plays and ten yards later Preston jitterbugged through the Dragon line from a third down and sped 66 yards into the Dragon diagonals.

St. Joe put it on ice just seconds after the kickoff.

JV Mark Bouseman pounced on a Dragon fumble on the ten setting up a six yard run for Young and a four - yard scoring plunge for Robshaw.

Besides his successful conversion toss to Young on the first Flash tally, shot caller Paul Thomas connected with Grissom after the second and with Steve Hubbard after the fourth.

Young ran through the two-pointer on the third TD.

Clay Campbell had recovered the Flashes' sole fumble of the game, and Bobby Thomas had covered a Dragon miscue for St. Joe.

It will be homecoming for the Dragons Saturday when they play host to South Carolina Deaf at SAHS field. St. Joe entertains Pierson Taylor here Thursday.

Flashes Bomb Taylor High Wildcats, 40-6

By DAVE CONOVER
Sports Editor

St. Joseph Academy's Flashes went out looking for surprises from Pierson Taylor last night, and found them.

One was that almost anyone on the St. Joe squad can run with the ball, and defensive standout Rick Hernandez, is included in that list.

And another thing was that, buried under a haystack of rushing yardage, the Flashes are capable of a creditable passing game under the quarterbacking of Paul Thomas.

Both aspects of football were combined in their 40-6 win over the Pierson Taylor Wildcats.

The well-attended win at St. Augustine stadium was the fifth this season for the Flashes whose percentage slipped over the .500 mark.

Flash announcer Tim Webb, after what seemed like an especially long third quarter, responded to the buzzer marking the end of the period with: "That's the ball game," a statement usually reserved for the end of the game.

But "that," as Webb said, might just as well have been the end of the St. Johns River Conference clash because, by that time, the Flashes had seen to it that Taylor was thoroughly outscored as well as outclassed.

Three Flash TD's during the period helped make it seem like

a long one.

Already St. Joe had assembled a wide leading margin.

Eight minutes after the initial kickoff Sandy Preston scored the first touchdown on a 10 yard run.

Preston then hit an unusual duplication in the following two tallies. After a 50 yard march which carried through into the second period, the Flash tailback broke through for an apparent TD from the 2. It was called back on a five - yard penalty and St. Joe wound up trying again from the 7. Preston hit paydirt on a five yard run.

The duplication followed two opponent plays later, when Rick Hernandez covered a fumble on the Taylor 10. After an eight-yard Paul Thomas to Steve Hubbard pass, Preston carried the remaining two yards. Flags went down; the Flashes went back to the 7 to try again, and Doug Grissom wound up the march plunging through from the 1.

A pass from Thomas to Preston and ensuing 40-some yard

run by Preston netted the Flashes a fourth TD in the third period. They added another in the same frame when Hubbard ran 30 yards to set up a scoring, five-yard charge by Jimmy Colec. And another when Bruce Bailey ran 39 yards to launch a one-yard tally by Hernandez.

A 15 - yard penalty against

St. Joe and 16 yard pass play from Taylor quarterback John Anderson to halfback Leonard Heath netted the final touchdown of the game, a Wildcat tally just seconds before the game ended.

Paul Thomas, who hit on five of six passes for the evening behind outstanding protection, wound up with 64 passing yards to his credit and two successful conversions. His biggest hit was a screen to Lewis which netted the fourth touchdown.

Rick Hernandez switched to the backfield after some top-notch defensive efforts, and proved his offensive capability with 28 yards rushing and a touchdown in three carries.

Others in on the Flash rushing game were Mike Robshaw and Jimmy Young.

HOT PURSUIT—St. Joseph Academy halfback, Doug Grissom, 44, remains just a step ahead of Pierson Taylor Defender, Ronnie Carlisle while the Flashes, Mike Robshaw, 13, rushes in to help during the third period of the game at St. Augustine High Stadium.

Grissom got 10 yards on the run and a first down for St. Joe which won the game, 40-6, over the Wildcats.

Trophies Are 'In' At SJA

By CHARLENE FOSTER

Trophies! and more trophies! St. Joe will just have to get a larger cabinet to encase the symbols of victory. We have added three trophies as a result of weekend efforts of both girls and boys.

The girls' tennis team won the singles, the doubles and the team championships in the Northeast Florida Tennis Conference held this past Saturday at the St. Johns River Junior College at Palatka.

Single matches were won by Mimi Cox, Teresa McDonald, Mary Russell and Del and Mary McLaughlin — a clean sweep. Then Mimi Cox and Teresa McDonald paired to win the doubles championship; and the overall number of points earned gave them the winning school team Championship. St. Joe garnered 13 points, and Clay County was runner up with 4 points.

The Flashes Varsity Basketball team won the district tournament held at the Settles Gym on the campus of the Florida School for the Deaf and Blind. Friday night, they won over the Commodores of Maranatha, and Saturday night over the Dragons of the School

"THE FUTURE BUSINESS LEADERS OF AMERICA is the national organization for all high school and college students enrolled in business subjects. The organization, composed of over 3,600 high school and college chapters, operates as a part of the school program under the guidance of business teachers, school administrators and businessmen.

The activities of the Future Business Leaders of America provide an opportunity for business students to prepare for business and office occupations. Members of the FBLA learn how to engage in individual and group business enterprises; how to hold office and direct the affairs of the group; how to work with representatives of other student organizations, and how to compete honorably with their

colleagues on the local, state, and national levels. FBLA provides an opportunity for travel to state and national conventions and conferences, visits to other chapters and to business and industrial enterprises, and close contact with successful businessmen and women."

This year, the FBLA named and sponsored our school newspaper. The SAINT JOSEPH ACADEMY FLASH REPORT; undertook a project to send and write to the Saint Augustine Area Servicemen at Christmas and encouraged the business classes to take part in it; sponsored the "You Must Have Been a Beautiful Baby" Contest; raised funds by selling ice cones, bake sales, school newspaper, and the Thanksgiving canned-food Drive.

Academy Alumni Stage Breakfast

SJA ALUMNI

Grateful appreciation is expressed to the Officers and Members of our Alumni Association. The Alumni contributes annually to the Sisters Educational Fund and sponsors projects for the benefit of the school.

Priests and alumni gathered Sunday morning in the convent chapel of Saint Joseph Academy to celebrate the annual reunion of graduates of St. Joseph Academy.

Father James Bluett told those assembled that "there are those who think that priests make too much of social justice and not enough of dogma." But the two, he said, must go hand in hand for social justice is inherent in love and knowledge of God.

Following the Mass, the assemblage adjourned to the new Elks Club for the breakfast and meeting.

The breakfast began with a prayer by Father Bluett, and after the meal, the president, C. Gard Oliveros welcomed those present on behalf of the officers of the association.

Alumni secretary, Mrs. K. R. Wickman, read, for the approval of those present the minutes of the past year's meeting and Mrs. Katherine Masters

traveled from Jensen Beach, to attend.

A most entertaining and informative resume of the activities of the Class of 1969 was presented by Paul Cilwa, following which the guest speaker for the day was introduced.

Guest Speaker

Eddy Mussallem, chairman of the lay committee for St. Joseph Academy, spoke on the formation of the committee and the problems which have beset the school recently. He explained the purpose of the trust fund which has been set up for the school and its goal of \$25,000 to be matched by funds from the Bishop Verot account.

He further stated the pre-enrollment at the academy has reached near capacity and new arrangements will have to be made to accommodate all who wish to attend the junior high school.

Mussallem closed with a few words of encouragement to the

Elizabeth Morgan, Marcia Mussallem, Lawrence Pomar, Joanna Salvador, John Salvador, David Thompson, Thomas Webb, Thomas Merritt.

For the first time this year, two checks were presented to the Sisters. The first, in the amount of \$500 was presented to Sister Joan of Arc, assistant to Rev. Mother Louis Edwin, to aid the Sisters' Educational Fund.

The second, accepted by Sister Saint Charles, and unanimously named the "Sister Mary Herbert Scholarship," was a check for \$400 insuring a full year's tuition for a deserving student.

Sister Saint Charles expressed the gratitude of the Sisters and praised the memory of Sister Mary Herbert, a nun and heritage native of this city, who "gave her heart's - blood" for the preservation of Catholic education in her city.

Mrs. Rose Mickler Martin, a silver - year jubilarian, spoke of her remembrances of her years

The Advisory Board was organized by the Sisters of Saint Joseph in the Fall of 1968. The purpose is to assist the Sisters in bearing the financial burden of the Academy. Through the efforts of the members of the Board, "The Friends of Saint Joseph Academy" was organized so that all who are interested could help the school during these difficult years. We are deeply grateful to each member for all that has been done.

My Dearest Bonnie Jeanne,

How have you **AUTOGRAPHS**

been? My darling — I'll never forget Windy
Gap (especially all the "FLASHES" (get it?) during
horseback-riding! remember the mini-likes...

Remember Me. Love; Peace; dig 'it;

Chip Hayes; Groovy, huh?

Susan Hember

"Hi"
Elizabeth

Don't forget all sad more year such as locking
you in the bathroom while the toilet over flowed. And
don't forget all your lovers too. Don't forget me
wherever I am.

Pam Leaf "73"

Dear Bonnie,

Summer '71"

Even though I've known you since I was 5 years old. And in Mrs Lindsey's dancing class. I have just gotten to know your real self. I will not say "I hope you remember" because how could you ^{possibly} forget all we have done. Through all our lovers (Jimmy & Mike; Jay & John; Alan & Jimmy) and on and on Bonnie, I do not think I have ever had so much fun than this year. You told me not to get carried away so I won't cause the things I could write would fill 20 volumes of encyclopedias. Oh yes! What about Chuck Anderson & Danny Dresden. And how can we ever forget old Charlie Siding. My god! When I think of all the people we met. And the fun we had at your pool on July 4th 1971. If it wasn't for your pool I don't know what I could have done. Cause that is how me and Kenny got together and also your great beach house. We really had a good fight against Porn & D. Blue. We also had a real good fight between us. Don't you dare throw my grandmother's dress out the window "But you threw out my hat" was the cry as we rode down the ~~street~~. And I didn't spend 4 miles in a row with you where would I have gone. What about Frijol Pink? Sorry about reciting and giving out free information on your history. Good luck with Jay & Jimmy. You don't need it though. Just don't be 'yourself' and they'll look it in. I don't believe it now that I think to what we have done. Will you know just Be Cosmic and be real Heavy Man. Maybe someday you will learn to surf. And if you ever want to you can come live with me. Why remember all the people we've met we are going to meet millions more. But each one means something special to me and I hope you too. Sometimes you tell me my bad sides. Well as you've said "I can't change" so neither can I but I can try to be more mature. Watch out for people like "the Masker" & Mr. Check it out. Keep checking it out though. And we'll always need minority in the Spunk Sisters Club. So if you ever give in we'll just have to recruit. Always remember the Spunk Sister song. (Saginaw the Sycamore Tree) (Check it out young man) with a host of many more. Learn alot & Live alot. Strive to be Happy. Be careful and if you forget me I'll haunt you.

Love,
